Out with the New, In with the Old

It's just Vermont. You act like I'm moving to Mars or something.

Being a meat and potatoes kind of guy, I couldn't even pronounce most of the things on my plate. But the fancy fare was delicious so I couldn't complain. Still, I was eager to be done with the main course and move on to dessert. And I'm not talking about the pear tart on the menu. Oh no. I'm talking about my girlfriend Emily who was leaving for college first thing in the morning.

Tonight's dinner was our last hurrah.

Neither of us had any illusions about maintaining a long-distance relationship. Her swanky college was way up in Vermont. As for me—well, I was staying right here in Florida to work with my dad at his hardware store. While Emily learned the finer points of art and literature, I would sell pliers and plungers.

But don't get the wrong idea. I wasn't bitter about my lot in life, not in the least. I hated school with a passion, always had, and was looking forward to taking over the store when my father retired.

Of course, I would miss Emily something fierce. She added a lot to my life, a whole hell of a lot. She was strictly upper crust with the bluest of blood, but Emily never acted like a snob or looked down her nose at those less fortunate than her. The girl knew how to cut loose, let her hair down, and have some serious fun, never more so than in the sack.

Now, sitting across from her at the dining room table, I felt her barefoot press against my crotch. She applied just enough pressure to turn me on without making me squirm too noticeably. Her parents had no idea. Emily's father, Dr.

George Drayton, sat at one end of the table, his lovely wife Rebecca at the other.

"Thanks for helping out tomorrow morning," Dr. Drayton said to me, adding that he would be in surgery most of the morning.

"No problem," I told him. "Glad to do it."

I had offered to accompany Emily and her mother to the airport. Emily would need help with her bags while Mrs. Drayton could use the emotional support. After all, her only child was leaving the nest.

"You're the best, Mark." Emily's mother dabbed her mouth with a linen napkin. "But I must warn you in ad-

vance—expect lots of tears . . ."

"Oh, Mom," Emily sighed. "It's just Vermont. You act like I'm moving to Mars or something."

"Vermont is Mars," Mrs. Drayton replied. "I still think you should have stayed at home. There are many wonderful schools in Florida—"

"Don't start, Rebecca," Dr. Drayton said. "She made her decision."

Mrs. Drayton dropped the subject and finished off her glass of wine with a flourish. "Who wants dessert?"

"You know I do," her husband said.

"None for me," Emily said. "I'm stuffed."

Mrs. Drayton looked at me. "Mark?"

"I'm sure it's delicious," I said, "but I'm pretty full. Maybe later."

Emily and I excused ourselves and went upstairs. The Draytons lived in a big house, so big that Emily had the en-

Emily moaned urgently around my meat, then withdrew her mouth and climbed on top of me. I lay there while she guided my spit shined prick inside her pussy...

tire second floor all to herself. She practically had her own apartment up there, minus the luxury of a private entrance. We had had lots of sex in her spacious bedroom, more often than not while her mother was right downstairs. As far as I know, Mrs. Drayton had never heard us; or maybe she had and just didn't object.

"She's serious, you know," Emily told me after closing her bedroom door. "Mom's going to cry a river when I get on that plane tomorrow."

"She's not the only one," I said.

"You poor baby." Emily wrapped her arms around me and crushed her lips to mine.

Moments later, our clothes piled on the floor, I sat on the edge of Emily's bed while she crouched before me. I leaned back on my elbows and watched her moist lips glide up and down my shaft. She took her time, polishing me slowly, her brown eyes fixed on mine, her face framed by jet black hair she wore in a stylishly messy bob.

Emily moaned urgently around my meat, then withdrew her mouth and climbed on top of me. I lay there while she guided my spit shined prick inside her pussy and lowered her slender hips. She felt wonderfully tight and warm. Her small yet pendulous tits pointing at my face, she proceeded to ride me, working her hips in a languid rocking motion which made me harder than a brick.

She sighed heavily when I raised my hands from her thighs and took hold of her tits. The sighing turned to panting then moaning as I pulled and twisted her stiff nipples. Emily moved her hips faster and faster.

I moved with her.

Until she climbed off and lay beside me.

I rolled on top, eliciting a grunt from Emily as I skewered her good and proper. Emily raised her knees as high as they would go, spreading herself for a thorough pounding, which I was more than happy to provide. I fucked her hard, pummeling her tight teen pussy until she came, at which point I pulled out and shot my load

all over her tits . . .

The scene at the airport the following morning was a bittersweet affair. I hated to see Emily go, but I was excited for her. She was a smart girl. College was the place for her. And not just any college. A good school like the one she had chosen in Vermont. We promised to write and call, but the promises were perfunctory and half-hearted. Both of us knew our relationship would fizzle out. Oh well. It was fun while it lasted.

Emily had been right about her mother. Mrs. Drayton shed many tears when her daughter boarded the plane. She was still crying after the plane had taken off and we returned to the car.

"Here." Mrs. Drayton handed me the keys to her luxury sedan. "I'm in no condition to drive."

"Sure," I told her.

I felt bad for the lady. Her only child had flown the coop. And her physician husband was a very busy man. That big house of theirs was going to be an awfully lonely place. How would she fill her days and nights now that Emily was gone?

"Here we are," I remarked, parking Mrs. Drayton's high-end car in their semicircular driveway. I removed my seatbelt and regarded her thoughtfully. "Are you okay?"

"I'll be fine." The crumpled tissue in her hand was sodden with tears. "It's going to be a big adjustment."

I would have gone straight home had Mrs. Drayton not invited me in. She didn't feel like being alone and needed a shoulder to cry on. Of course, I felt obligated to provide her with one.

We went to the kitchen where she started a pot of coffee. Emily's plane had taken off at 7:00 am so it was still rather early. We sat opposite one another at the breakfast nook. Neither of us had much to say until Mrs. Drayton inquired about my plans.

"I'll work at my dad's store," I told her. "Other than that—well, not too

much.”

“I know all about your professional plans,” she replied impatiently. “I’m talking about your personal life.”

“Personal life?”

“What are you going to do now that Emily is gone?”

Unsure of what she meant, I just shrugged and gave her a lame platitude about taking things one day at a time. She sighed wearily and rolled her eyes with mild annoyance. “I’m talking about sex, Mark. Who are you going to screw?”

I must’ve turned redder than a firetruck. Heat flooded my face, then another part of my anatomy when Mrs. Drayton said, “You can screw me if you’d like.”

I gaped at her.

“Do you find me attractive?”

“Well, yeah, but—”

“Then what’s the problem?”

No sooner had Mrs. Drayton posed the question than she rose from her chair and started unbuttoning her lightweight minidress. Having removed the garment, she stood before me in her bra and panties. She had taken good care of herself, maintaining a trim figure and good muscle tone. I mentally removed the bra seconds before she unclasped its front closure and gave me an eyeful of her spectacular rack.

“What do you say, Mark? Am I a hot MILF?”

I got out of my chair and buried my face between Mrs. Drayton’s tits. She ran her fingers through my thick hair. I licked her nipples, licked and lapped and nibbled, eliciting a groan from my girlfriend’s mother. She deposited her fabulous forty-something fanny on the breakfast table, letting her sandaled feet dangle above the floor. Heat hammering crazily, I hastened out of my shorts and boxers before peeling her lace panties. She parted her shapely thighs, giving me a marvelous view of her pussy.

Mrs. Drayton leaned back as I positioned myself between her legs. Standing there with my shorts around my ankles, pulse pounding, cock throbbing, I rammed it home. She wasn’t nearly as tight as her daughter, but this hardly

detracted from the experience. She knew some nifty tricks, like making her muscles contract around my plunging member. It was amazing. She squeezed repeatedly, sheathing my shaft in a wondrously snug embrace.

“Keep that up,” I uttered breathily, “and I’m going to pop.”

“We wouldn’t want that. Not yet, anyway.”

She relented, enabling me to fuck her without fear of blowing my wad prematurely. Her sizable tits shimmied and shook as I tapped her mature twat. Transfixed by those twin marvels, I must’ve fucked Mrs. Drayton for a good five minutes before she climaxed. Her orgasm preceded mine by a

few seconds. I withdrew and shot my load all over those big titties.

Mrs. Drayton asked me to stick around for a cup of coffee, but I declined politely. I wouldn’t have been much of a conversationalist, not so soon after cheating on Emily with her mother. The sex had been great, sure, but I felt awfully guilty about the whole thing.

At least until Emily called me that night and broke up with me!

“That was fast,” I said into the phone.

“It was bound to happen sooner or later, Mark. Why delay the inevitable?”

“I guess you’re right.”

“It’s for the best.”

“See you later, Emily.”

I went for a drive to clear my head. Having fired up a joint, I cruised past the stately Drayton residence and wondered if Emily had told her mother about the breakup. Mrs. Drayton’s car was in the driveway where I had parked it earlier. Her husband’s roadster was right behind it. Come tomorrow morning he would eat his breakfast at the table where I had fucked his wife.

“Get used to it, Doc,” I muttered to myself, grinning wryly and taking a big toke.

I got out of my chair and buried my face between Mrs. Drayton’s tits. She ran her fingers through my thick hair. I licked her nipples, licked and lapped and nibbled, eliciting a groan from my girlfriend’s mother.

THE MAN CAVE

CREAMPIES
BEFORE EVENTS

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Before big events like weddings or parties, I have a little ritual with my husband where he bends me over and fucks me right before we head out. It's our naughty little secret that always leaves me dripping with his cum as I mingle with guests.

On the day of our best friend Jenna's wedding, I wore a silk red dress that accentuated my breasts and hips perfectly. I paired it with a set of strappy black heels that added a few inches to my height and made my legs look miles long. While I was checking that I hadn't forgotten anything, Tom walked in wearing his grey suit.

"I think you forgot one very important thing," he pulled me against his chest and grinned. I rolled my

eyes playfully, pretending to be annoyed even as I felt my core clench with anticipation.

"Oh really? And what might that be?" I ran a manicured finger down his lapel. He grabbed my wrist and pressed his lips over it, darting out his tongue to taste my skin.

"This," he spun me around suddenly and bent me over the arm of our leather sofa. My surprised gasp quickly turned into a breathless moan as he flipped up the back of my dress. My lacy pink thong barely covered my ass, and the fabric clung to my dripping slit. Tom drank in the sight of me. His gaze burned across every exposed inch of me as he gripped my hips. I arched my back, pushing my ass

up higher to give him an even better view.

"Fuck, Dana, you're practically dripping," he groaned and ran a finger along my folds. Pushing the damp fabric between them and rubbing it against my swollen clit. "Do you need my cock that much?"

"Yes, God yes!" My hips pressed back against his teasing touch, desperate for more. He chuckled.

Suddenly, I felt the thick head of his cock nudging against my entrance, rubbing up and down to collect my juices before slipping inside with one smooth thrust. I moaned in relief and clenched down around his throbbing shaft as it stretched me wide.

"Ohhh fuck, baby," I keened. My fingers clutched the couch as he started to move, his hips rolled in a slow, sensual rhythm. He gripped my hips tighter and sank his fingers into my skin. His thrusts grew harder and the slap of our skin echoed in my ears.

"Yes, fuck me just like that," I urged. Pushing my ass back, I met every punishing thrust with equal force. He leaned over me, his weight pressed me down into the cushions as he pounded into my hungry cunt. I glanced at the clock on the wall and realized we were cutting it close, but the thrill of being fucked within an inch of my life sent my mind spiraling with lust.

"Don't stop, don't you dare fucking stop," I demanded. His grunt was loud against my ear. The rhythm of his hips faltered as he chased his own release, using my pussy just to make himself cum.

"Fuck, Dana, I'm gonna...", he didn't finish warning me. A particularly hard thrust sent us both over the edge. I screamed, feeling him hit my g-spot.

"Yes, Tom! Pump me full of your hot fucking

cum!" He slammed into me one last time and unloaded spurt after spurt of his white seed straight against my cervix. Grinding against me, I felt his cock jerk and twitch as his orgasm winded down.

When he finally finished giving me every last drop, he collapsed against my back. Both of us panting harshly as we struggled to catch our breath. Slowly, he pulled out of my abused hole and allowed a stream of cum to leak out and drip onto the hardwood floor beneath us. Looking at his watch, he cursed under his breath.

He buried himself deep inside me and released a deep moan. It felt so good to have his load inside me, plus it kept the mess to a minimum!

"Shit, Dana, we gotta go," he tucked his softening cock back into his pants and I forced myself upright on unsteady legs. My dress smoothed back down to cover my ass and even concealed the line of white slowly making its way down my thigh. Even if I wiped it away, more would follow. I straightened my hair and wiped the smudged lipstick from my face before turning to face him with a satisfied grin.

"Now I really am dripping." I reached out to straighten his tie. He rolled his eyes but couldn't stop the smirk tugging at the corners of his mouth.

"Touché, baby. Now let's get the fuck out of here before we're even later," he grabbed my hand and pulled me towards the door. I took a deep breath, my heart was still racing and his cum was quickly soaking through my panties. It took the whole car ride there to fix my makeup and make sure I looked presentable again, but I loved our little secret and I couldn't wait to do it all again next time.

My hubby's off to Dallas again, not that it's a bad thing. I've kinda gotten use to playing with myself in the mirror. However, I have another partner always ready to please me, and it never fails. We've been together for almost three years, longer than any of my relationships.

"I found a photographer to take some sexy pictures of me and I liked them a lot. Then I asked my neighbor Ginger to come over and we did some rather spicy pictures together and I really liked those, too. We hadn't planned to make them this sexy, but there's nothing like a warm body, and wet pussy, to make a shutter click."
